Summary

A knowledgeable and versatile rail professional with 40 years of continuous hands on experience in railway engineering, operations, maintenance, and large P3 public transit projects.

Business Experience

President and Principal Consultant **July 2020 - Present**
Green Eye Consulting Inc.
North Bay, ON

Owner and principal of Green Eye Consulting Inc., a firm providing consulting services and special project work in all aspects of light and heavy rail.

Vice President Transportation **Sep 2017 – July 2020**
Ontario Northland Transportation Commission
North Bay, ON

Responsible for managing ONTC's Rail and Passenger Services Divisions with annual revenues of over \$60 million, 700 employees, a rail network of over 1,000 km and a bus network of 3,391 km.

General Manager **Sep 2013 – Aug 2017**
Rideau Transit Maintenance GP
Ottawa, ON

Responsible for the start up and mobilization of Rideau Transit Maintenance GP, a general partnership company formed by ACS Infrastructure, SNC Lavalin O&M, and EllisDon to provide maintenance and rehabilitation services on Ottawa's \$2.13 billion light rail transit system under a long term concession agreement.

Director of Engineering **Sep 2007 – Aug 2013**
SNC Lavalin O&M (PROTRANS BC)
Vancouver, BC

Key senior management position in PROTRANS BC Operations Ltd, an SNC Lavalin subsidiary company formed to operate and maintain Vancouver's Canada Line, the hugely successful \$2.0 billion light rail transit system linking Vancouver International Airport/Richmond, B.C. with downtown Vancouver. Participated in the start up and mobilization of the company and was then responsible for the maintenance of all Canada Line infrastructure, rolling stock, train control, and other systems under a 35 year concession agreement.

Vice President Rail **May 2005 – Jul 2007**
Ontario Northland Transportation Commission
North Bay, ON

Managed the Rail Division of Ontario Northland Railway, a 675 mile regional railway operating both freight and passenger services with over 600 employees and \$90 million in annual revenues.

**General Manager
Ottawa Valley Railway
North Bay, ON**

Sep 1997 – Apr 2005

General Manager of the Ottawa Valley Railway (RaiLink Canada Ltd. and subsequently RailAmerica), a 340 mile regional railway with annual revenues of \$24 million and a staff of 150 employees.
